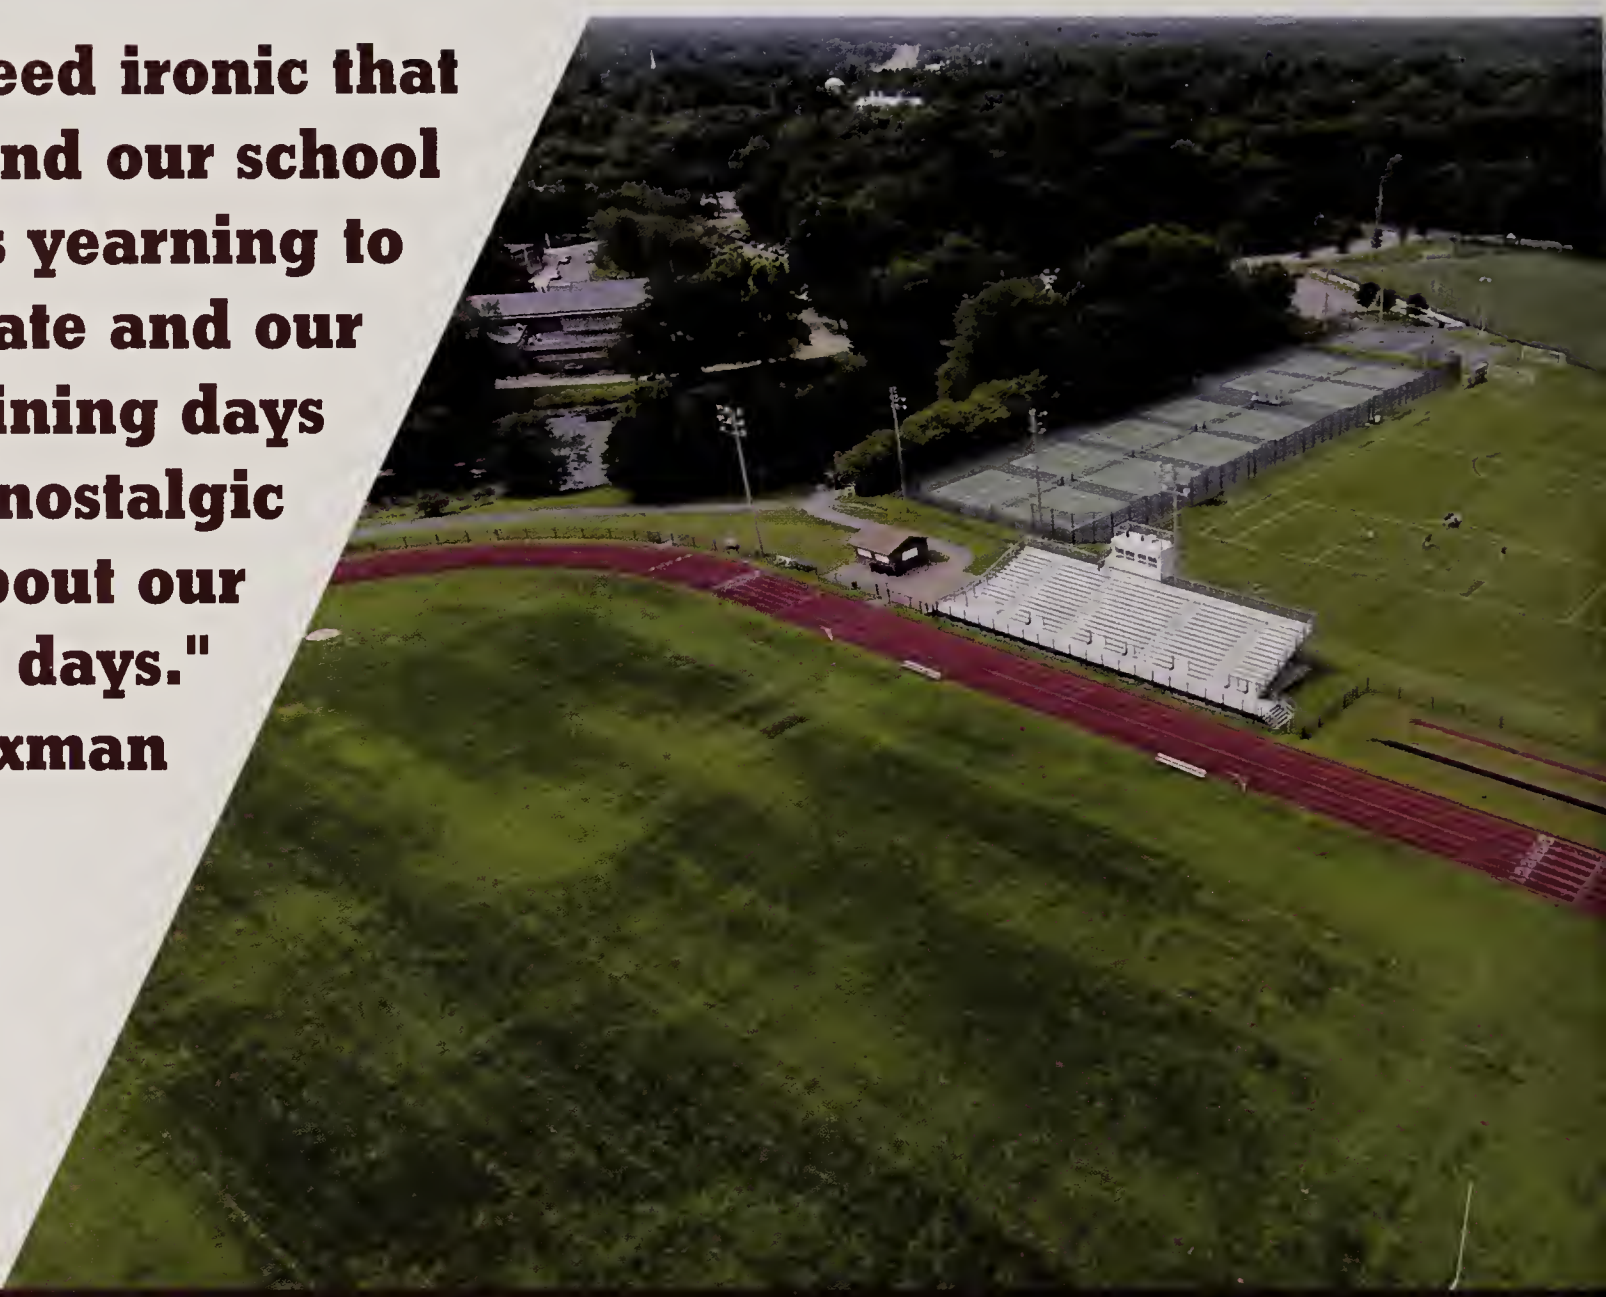
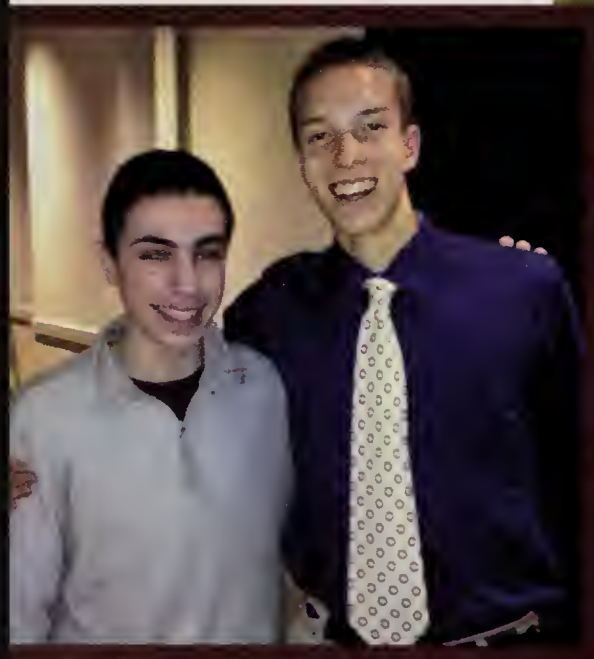
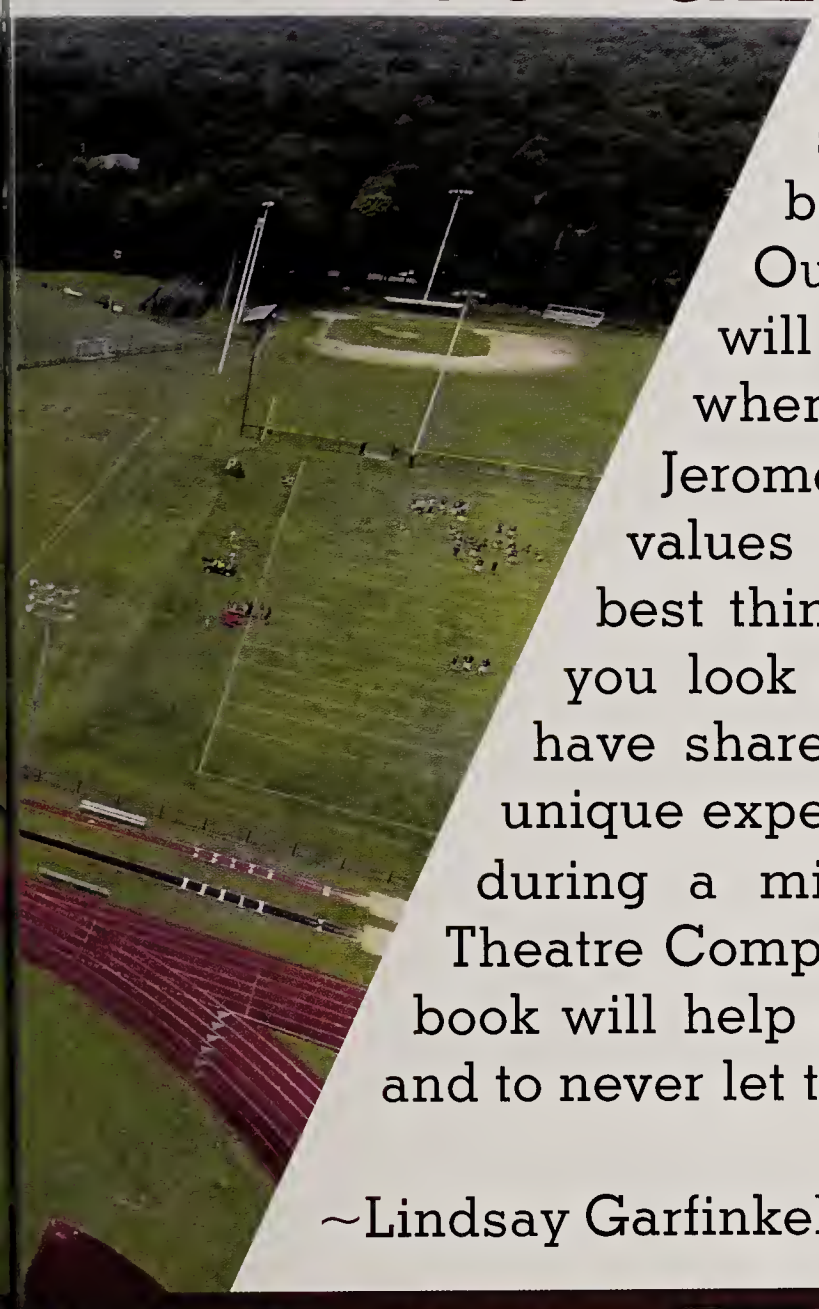
"timeless"

"It is indeed ironic that we spend our school days yearning to graduate and our remaining days waxing nostalgic about our school days."
~Isabel Waxman





MESSAGE from the EDITORS



Timeless. Everything seems to go by slowly while it happens, but when you look back on it, it seems like it was just yesterday. Our memories here at Weston High School will live on forever in our souls, no matter where we each end up. Famous writer Jerome K. Jerome once said, "Once we discover the timeless values in our daily experiences, we can enjoy the best things in life." As time goes on, we hope that you look back on these timeless memories that we have shared at Weston High School and recall each unique experience, whether it was in our younger years, during a middle school sporting event, or watching Theatre Company's latest performance. The pages in this book will help you to treasure the time that you had here and to never let those memories fade.

~Lindsay Garfinkel, Beatrix Kelly, Jacqueline McInerney

SENIORS INCLUDED

We recognize the Advisory Program that was rolled out to the 2015 seniors for the first time in the 2012-13 school year. The program had applied only to underclass students up to this point. Advisories consist of small groups of students that meet every Friday for twenty-five minutes with their advisor. This simple model provides students with a meaningful connection to an adult in the school and an opportunity to build peer relationships; to personalize the educational experience; and allow teachers and staff to get to know students as people, not just learners.

"Our major goal this year was to have a good season despite losing three very talented seniors last year. We accomplished this, though many of us were surprised we were able to keep up without them. Every person genuinely wanted to be there; had the best attitude and team spirit. We had the best psych-ups before every race, and made sure to cheer each other on. One of the most memorable parts of the season was when we drove four hours to Fishkill, NY to compete at the Bowdoin Park Invitational. We also discovered the talents of some new up-and coming runners on the team, and it was awesome to see their progression over the season, Overall, we had a great, productive season!

score a TOUCHDOWN

This year has been a very successful year considering everyone's perception of us as a team. In the past years, our seasons have consistently ended with a 3-8 record, motivating us to get in the weight room and focus on getting bigger, faster, stronger, and tougher for this year. By practicing like we played in games and enjoying each other on the team, by pushing ourselves to practice harder and condition harder, our expectations of ourselves increased as the wins started amounting.

- Captains Ryan Welby, Maurice Blake, Thomas Dell'Erario

dual county league CHAMPS

This year's soccer season turned out to be the exact opposite of what was expected. After losing nineteen seniors it was expected that we would have a very poor season. These expectations that were set for us were completely wrong. We won our first DCL small championship in eleven years. On top of that we showed that we had the potential to win states by beating the eventual state champions.

"We were the undefeated champs in the DCL small division for the first time ever, scoring fifty-eight goals in twenty games. Team chemistry was fantastic this year; we had a very competitive and committed group of players. Highlights of the season included beating Wayland six-one at Wayland and coming from behind to tie Bedford in the last twenty seconds of the game to keep our undefeated record. Coach Power has created a positive culture for us and we believe the team will do great things in the future."

Hyunsoo Lee

My son Hyunsoo,

Congratulating on your graduation.
I would like to read you a part of
A Father's Prayer from
General Douglas MacArthur, who has
devoted his whole life for peace
and democracy in our world.

...Lead him, I pray, not in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fail...And after all these things are his, add, I pray, enough of a sense of humor, so that he may always be serious,yet never take himself to seriously. Give him humility, so that he may always remember the simplicity of true greatness, the open mind of true wisdom, and the meekness of true strength. Then, I , his father, will dare to whisper, "I have not lived in vain!"

Congratulations!!! Hyunsoo Lee

I was always moved to tears when you
played Chopin's Impromptu.
I was always nervous and excited when
you ran the track in meets and
scored points in basketball games.
I hold dearly all of the precious
memories from your youth,
I look forward to your impressive future
that you will create.
~ With love always, Your Mom.

Hi, Hyunsoo
Are you having a good time there?
Well, I hope so.
Lately, (while you were gone)
I really kind of missed the past when we
used to be much younger. Like the
times we spent in Canada and Korea.
Don't you?
However, what I wanted to say is first,
congratulations on your graduation!!!
Second, I hope we can meet again
...soon!!!
Take care ~ Your sis, S.H.

William Douglas

William,
You are loved beyond measure and we are so proud of your strong character. Go boldly forward, find your place and embrace this world with joy. You are amazing!

~ Your Bro, Preston

To my beautiful daughter,
My memory of your first day of school was filled with excitement and nervousness and that feeling has come full circle, but this time you are embarking this new journey as a young adult. I always know that you would emerge as a winner, remember to follow your passion, stay true to yourself, never follow someone else's path unless you're in the woods and you're lost and you see a path then by all means you should follow that. Ally, don't cry because it's over, smile because it happened. Congratulations Ally and best of luck. Love Mom

My little Ally, it seems like yesterday was the first day I held you in my arms, and from that moment you filled my heart with great warmth. Your journey has just begun, and obstacle are only distractions along the road of life, climb over-around it or simply knock it out of the way during your ascend to the summit. I am so very grateful for you to be in my life, and look forward to more wonderful times as father and daughter. Love Dad

IRENE LIEW

Since the moment when her eyes locked with mine in the delivery room, she brings me to a journey to see and experience an awesome and ever expanding world. I grow as her path expands and extends. She is the calmest person at all time under any situation. She is also the kindest person, at all time and to all, including people mentally ill or disadvantaged. She is the protector of her grandma, who has advanced Alzheimer, reminding people that grandma is just sick, the simple fact that many adults could forget during day-to day hustles. She is also the sole source of my music enjoyment now, either from her iTune library or the random pieces she plays on the piano while I'm cooking. It calms me down just by sitting down by her side on a staircase if I had a bad day.

JOHN JANSEN

We are so proud of you and
all that you have accomplished.

So many people deserve our appreciation for providing pictures. We sincerely thank Prestige/Lifetouch Photography for providing senior portraits, underclass and faculty pictures, sport teams and candid photos of games. We are grateful for Peter Greer and his photos of the senior class on the bleachers and the ever-favorite student formed "2015." We are especially pleased with Mr. Greer's drone pictures of our campus and students. Take a look at the Title Page of the Yearbook for a superb example. We also want to thank the other representatives from Lifetouch who were always available to give advice and help--especially Meghan Testerman.
